

Carpenter Technology Corporation
1735 Market Street, 15th Floor
Philadelphia, PA 19103

Subject: Russia Sanctions Update Certification

Carpenter Technology Corporation ("Carpenter Technology") hereby acknowledges review of the restrictions as per article 3g (d) of Council Regulation (EU) No 833/2014, as amended by the Council Regulation (EU) 2023/1214 on 23 June 2023, and The UK Russia (Sanctions) (EU Exit) (Amendment) (No. 2) Regulations 2023 (the "Russian Sanctions Regulations").

Carpenter Technology hereby certifies that to our knowledge and belief, as is confirmed through ongoing compliance practices, all steel or iron products as listed in Russia Sanctions Regulations, that are sold by Carpenter to you, or otherwise provided to Carpenter Technology Corporation for further processing or manufacture into products sold by Carpenter Technology to you, are not of and will not have Russian origin and have not been exported from Russia in violation of the Russian Sanctions Regulations.

Carpenter Technology also certifies that as a result of ownership and capital structure, Carpenter Technology is not subject to article art 5AA Ordinance of EU 833/2014.
